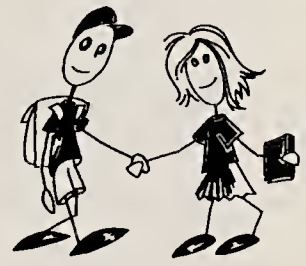
We'll Never Say GOODBYE



We shared the days of laughter
We shared the nights of sorrow
And in the morning after
We face the bright tomorrow
Side by side, we'll always stand
Spirits flying high
Long as I can hold your hand
We'll never say goodbye

We walked the halls of learning
And served a proud tradition
The flame of truth is burning
To clarify our vision
Look at how the future gleams
Gold against the sky
Long as I can share your dreams
We'll never say goodbye

There's little to be sure of
But we will last forever
For now we know the pure love
We feel when we're together
Then if someday we should part
We will not say die
Long as you are in my heart
We'll never say goodbye

We are the boys and girls who have been in the Weston schools from those first days of kindergarten to the present days of senior year. We are the Lifers from the Class of 1997. We have compiled thirteen years of memories together and will hold each one in our hearts even after we depart from Weston High School. We will always remember the first day we were assigned homework in second grade and performing the play, "The Araboolies of Liberty Street" in sixth grade. We will never forget each other.

Thirteen years has been a long journey and it is almost over. The Lifers of the Class of 1997 are ready to enter the world. No matter the distance, we will always be together.

Prom preparation took place the week before the prom. It was a time when the Class of 1997 bonded and pulled together one of the most spectacular proms yet, "The Secret Garden."

Monday through Thursday, we worked after school until around 9:00 each night. Our appetites were satisfied by tons of snacks donated by our parents. Our dinners consisted of Chinese food, pizza and six foot long subs. There was dancing, singing and paint fights. Flowers were made, walls were painted, murals were drawn and animals were placed in their gardens.

Friday was the day when we missed school to put the final touches on our masterpiece. We were all ready to enjoy our prom on Saturday and we were proud of our hard work.

We had fun, but most of all, we really came together as a class.

Prom '96

"The Secret Garden" was a huge success for the Class of 1997.

The Junior Prom was an awesome experience for the Class of 1997. The Town Hall was decked out in bouquets of flowers, green leaves and painted animals. The customary canopy that hangs down from the ceiling was a mesh of green and white streamers. After a week of hard work, we were ready to party at our junior prom. Saturday was spent picking up tuxes, getting haircuts, and making last minute alterations on dresses.

By five o'clock, we were looking forward to a nice dinner and a night of dancing. The boys looked marvelous in their tuxes and the girls shone in their beautiful dresses as we arrived at Town Hall. We walked up the green carpet, up the stairs and entered our "Secret Garden . . . ."

First Day

The first day of school for the 1996-1997 school year was an exciting day for everyone.

FAR LEFT. Co-Presidents, Dave Menachery and Emily Mullin, look forward to leading WHS the best they can.

ABOVE. Matt Rykels, Connor Wilson, Brandon McDowall and Dave Menachery give us their best smiles.

The first day of school was a terrific day. Everyone was coming into the high school feeling different emotions.

The Class of 1997 was anxious to start their senior year at Weston High School, but also a bit sad because it was their last. The Class of 1998 was looking forward to their busy but exciting junior year. The Class of 1999 was happy that they weren't freshman anymore. Whereas the freshmen were a little apprehensive, but eager to start their high school careers.

Friends reunited at the Student Council BBQ, as did teachers with their students. All in all, it was a beautiful way to start off another great year at WHS.

LEFT. Senior guys, Craig Hastings and Quinn Ryan, find their spot in the senior section of the caf.

Activities Fair

The activities fair took place on a sunny day in late September. Students signed up for clubs offered this year.

BELOW. Becky Cutler and Erica Cole support two great groups at WHS, Peer Leading and the Social Awareness Club.

ABOVE. The Theater Company and Art Club got lots of sign-ups because of their promoters, Joanna Arkema and Bill Barclay.

As usual, the Activities Fair was a huge success and many people made it happen. No one could have endured the chaotic sign-ups without the help of cold, vanilla ice cream provided by the Student Council. Dedicated members of clubs stood on tables, paraded tents around and literally picked students up to get new participants. Kids were enjoying the freedom to choose from so many activities, and it was a nice treat to miss the last class of the day. The Activities Fair is always a fun time for all.

Stylin' Times

Weston High students sport everything from blue nailpolish to Birkenstocks. We certainly know what's in.

The trends have been set for the 1996-1997 school year. Weston High School students sure know what is in style. A hip new trend was wearing colored nailpolish on your fingernails, any color. We saw everything from yellow to blue to green.

When seniors got out to eat lunch, the popular hangouts were McDonalds and The Linden Store. Chex Mix was also a huge hit with hungry Wildcats. When the cold weather hit Weston early, kids were bringing insulated mugs filled with coffee and hot chocolate to keep them warm.

Everything from clunky boots to Birks were seen on feet. Fleece jackets, denim jackets and sport's team jackets were seen on many students. And of course the parking lot was filled with only the best cars. Hondas and four-wheel drive cars like Explorers and Jeeps were most abundant.

Weston kids continue to know what the trends are and we wear them so well.

ABOVE: Dave Cope, Mr. Desaulniers, and Mr. DeSimone really liked joining in the school's activity of dressing up for Halloween.

Halloween was a fun day full of exciting events. Nearly three-quarters of the high school racked their brains the night before and thought of the perfect costume to wear in school. Kids were decked out in everything from vampires to 70's queens.

The all-school assembly was a huge hit with spirit wars between the four grades. Everyone was cheering for their class's representatives in the wacky events. This year, lots of students won for best costume.

Throughout the day, candy was distributed to kids from their friends. October 31, 1996 will be remembered.

Peter Michael Whittenberger's Spirit

"Undoubtedly we have no questions to ask which are unanswerable. We must trust the perfection of the creation so far as to believe that whatever curiosity the order of things has awakened in our minds, the order of the things can satisfy."

—Ralph Waldo Emerson

Robert Desaulniers

After being here for five years, our vice principal, Mr. "D" is extremely active in our school, having recently paired up with Mr. DeSimone. He is the frosh football team coach in additon to taking on his regular duties. We all run into him throughout the day–if it is just a hello or a talk, we are all glad that he is around.

Important Events in Peter's Life

Easter Egg hunting on the Town Green.
Fighting at recess sometimes.
Getting up at 6 AM in December to go swinning in the Pacific Ocean with his brother Danny.
Flying kites at Bretton Point State Park in Rhode Island.
Putting snow from Loveland Pass in Colorado into the cooler to bring home.
Dinosaurs, snakes, fishes and whales.

"Stand by Me"
The California Raisin Song

To the Class of 1997, Weston High School

We are deeply touched by your inclusion and remembrance of Peter Michael Whittenberger. A portion of a poem by Longfellow says:

"There are things of which I may not speak;
There are dreams that cannot die;
There are thoughts that make the strong heart weak,
And bring pallor into the cheek,
And a mist before the eye . . ."

From the kouzas dogwood at the Country School, to the picture of Peter Michael worn inside a helmet at every football game, it has been a privilege for us to be asked to share in the dedication of your class yearbook. Best wishes to the Class of 1997.

Advisors

Our class advisors, both parents and teachers, have guided the Class of 1997 through the years.

BELOW. Mrs. Hindlian has been an enormous help with all of our class activities these past four years. We greatly appreciate her help.

Our class and parent advisors have helped to make the Class of 1997's journey through high school the best ever. Under the guidance of our faculty advisors–Mr. James Hartmann and Mrs. Nancy Kendall–and parent advisors–Mrs.Nancy Hindlian, Mrs. Gail Nozik and Mrs. Patricia Wysocki–we have grown to be the people we are today.

They have helped numerous events to be extremely successful. They have done everything for us–including a trip to New York freshman year, car-washes in tenth grade, a week of prom prep junior year, the senior holiday party, and our all-night graduation party.

The Class of 1997 would not be where we are today without the ongoing faith and support of these five wonderful adults. They won't be forgotten, and will remain in our hearts.

I have no clue what I ought to write here. Can I draw a picture instead? I suppose I want to say something about people like the Outdoors Club, S.E.A., Ultimate Frisbee, the Art Club, hacky-sack, cross country, singing groups (all of them),Theater... but what? I also want to say something to or about a lot of individual people, like, um, Mr. Moran, Mr. Perrin, Janet K-M, Mr. McCowan, Mr. Jordan, Mr. Walker, Doc Prov, Mr. Williams, Mrs. Maloney, Mrs. Taggart, Louse, Mugger, Andy, Mom, Dad, and any other people who feel they ought to or would like to be in here (if that applies to you, consider yourself mentioned!) but again, what? Oh well.

As I end my interim at Weston High School, I will not forget those who have helped me through those inevitable "ups and downs." Detesting good-byes I would like to say, instead, "see you again"-to my favorite class of 1998 et al. It has been an audacious 12 years and you will not be forgotten—and I hope you will not forget me! To all the faculty and staff—you have been my "guides" MM, CO, PC, MB and many more. To my parents, especially my mom, I owe you insurmountable gratitude and love. Thanks for always being there when I needed you. Hey #153 TI, DK, O3, BL—good luck!

'98 JUNIOR CLASS

Although Junior Year proved to be stressful and academically demanding, the Class of '98 managed to display success in all they did. From the sports fields, to the theater stage, to the after school activities, the juniors were a big part of the great school spirit buzzing at Weston High this year. The small yet enthusiastic Class of '98 illustrated that we could put on an amazing auction. The theme for the event was City Lights, and although the decorations were glorious, it was the spirit of the class that shone the brightest on that February night. Energized by the success of the auction, the juniors enthusiastically prepared for the Prom. Once again, the class had to rely on everyone's involvement in order to run the show. But boy, did it pay off. The Town Hall was impressively and creatively decorated, while the night itself was enjoyed by all. Overall, the class of '98 seemed to come together at the times it was needed most for two amazing events which class members will cherish forever.

'99 SOPHOMORE CLASS

CLASS OFFICERS. Mrs. daCosta, President Bill Fagley, Vice President Chad Caldwell, Mrs. Brown, Treasurer Peter Harley, Secretary Amelia Munger, SAC Representative Corey Friedman.

ACTIVITIES FAIR. Shana Bethune, Susan Warren and Laura Fox enjoy the beginning of the year festivities.

Nothing but the word success could describe the sophomore year of the class of 1999. We made it our goal that we would show everyone what the last class to graduate in the 20th century was made of. As the doors of the school opened to a quick start, so did the class of 99. We started our year sponsoring a children's winter clothing drive which raised a lot of spirit and joy in the class, knowing that someone would not be cold this winter. Once Mother Nature gave us her gift of snow, we decided to make the best of it by going on a night ski/snowboard trip, which was a good treat for all. Of course, nothing could replace the incredible semi-formal in the spring. Despite our wonderful record so far, we are not yet done with this school. We're only half way there and before we can look back on all the great things that we did and are going to do, we have to look forward to the best years that lie ahead. Doing that is what that the whole class has been waiting all of our lives for. It's now show time, guys.

'00 FRESHMAN CLASS

Coming into the High School was a big jump from the Middle School. On the first day, most of us were lost, but the upperclassmen made us feel welcomed. The scavenger hunt to our lockers sent us throughout the whole school and we all enjoyed the cookout the seniors prepared for us. Once we found our way through the High School and where the freshmen were supposed to eat lunch, we were all set.

The Freshman Potluck dinner and football game was a great start for our class treasury. The rest of the year still had more to come, as we all had a great time in our first year of High School. Next year as sophomores we hope to be a little bit wiser, cleaner, and maybe a little better at the Bug-A-Loo.

CLASS OFFICERS. Secretary Joelle Lurie, President Chris Wai, Treasurer Amy Kim, Vice President Mike Archambault and SAC Representative Lisa Turner.

ALL THE SMILES. Christina Sardilli, Amanda Mazolla, Elizabeth Reynolds-Lupo and Diana Nicholson learn the ways of the High School and seem to be enjoying themselves.

Victorious

WildCats Exceed Expectaions

The 1996 Weston Football team started the season predicted to fall below 500. Instead they finished as the Division 6B Super Bowl Champions. The team was led by Co-Captains Kevin McShane and Victor Benson.

On offense Benson ran for 1,900 plus yards and 23 touchdowns. Benson's ability was a key factor in Division 6's highest scoring offense. He was propelled into the secondary with the help of a great line led by Mike Halloran. Andrew Horowitz threw for 11 touchdowns, adding an extra dimension to the Cats' explosive attack. Alex Botchan and Gregg Ferrelli also contributed out of the back field, along with Jarrod Thornton at wide receiver.

On defense the Cats' were led by McShane, Jim Marrett, Jason Kahan, James "Big Game" Rollins and Ted Chan. Domingo Williams and Jordan Remy were forces in the pass defense. Despite two heart breaking loses to Division Two powerhouses, the Cats were able to conquer an undefeated Martha's Vineyard team on the road.

In the annual Thanksgiving Day rivalry with Wayland, Weston played their hearts out in snow and proved that Weston can compete in the tough Dual County League. At the day's end Weston handed Wayland a 26-13 defeat.

With this win under their belt, Weston confidently entered the Division 6B Super Bowl. After a rough first half the Cats went into the locker with a 6-0 lead after Horowitz hit a streaking Thornton in the back of the end zone. After half time the Cats took control with great efforts from the offense and defense. As the Cats proudly walked off, the score board read 20-0. Weston handily beat the previously undefeated Austin Prep team.

Look for the Cats to defend their title next year as the team returns many of its starters.

First Undefeated Regular Season

DCL CHAMPS

This year's soccer team will go down in history for their amazing season. For the first time in Weston history, the girls varsity soccer team clinched the DCL title with an outstanding record of 18-0.

"Together!" When the team broke from their huddle, this family had the confidence and skill to make themselves champions. The forward line trio composed of Annica White, Lizzy Frisbee, and Kathryn Doherty lead the league in scoring, and became known as "the true triple threat".

In the backfield, captains Erica Johnson and Kate Ryan, along with Lauren Gibbons and Jill Simon, helped a strong defense succeed in helping captain goaltender Abby Kussell to a school record of 14 shutouts. No less important were the potent midfielders KC Czarnowski, Sarah Jenks-Daly, and Jenny Kendall, who strengthened an already powerful team.

The team was also helped when Jarida Eastman, Wendy Theall and Meredith Ryan added their talent to the front line, while Ananda Forbes-Maguire made appearances in both the back and midfield positions. These four players battled injuries to rejoin their winning team in time to also make a solid impact.

As the team rolled through the regular season, it scored 67 goals while allowing only 9. Although the team stopped short of their expectations in post season play, there is a strong outlook for next year's team as the core players from most positions will return for another great year.

Boys Soccer Takes New Steps

Below- Great Save! Excellent defence diplayed by Sophomore goaltender Jeff Coburn.

This year's team had a great mix of young and old players. You never knew who was going to come up big for the team. Whether it was Shreyajit scoring a key goal against Greater Lowell or Doug Haber scoring the tying goal against BL, all of the talented Weston players contributed to a successful season.

The team's most memorable games came against Westford Academy at home and Wayland under the lights. The Gray Ghosts came onto our field and took us too lightly. JP Parker scored the winning goal with a header from a perfect service off the foot of co-captain Dave Menachery. Against Wayland, Toby Strasenburgh pounded the ball in the back of the net giving Weston the win at home under the lights.

This year's captains were Jason Fernandez and Dave Menachery. They led the team on and off the field.

Left- Yo Flaherty! Junior John Flaherty fights for possession of the ball.

The end of the year awards went as follows. John Flaherty-Most Improved, Toby Strasenburgh-Best Underclassmen and Dave Bell-Tucky Gee. The MVP of the team was Dave Menachery. Receiving second team DCL All Star were Jason Fernandez and Jeff Coburn. Toby Strasenburgh and Dave Manechery were first team DCL All Stars.

Before the season started, the team had high expectations. However, we did not play our best soccer at the beginning of the year. We started off the season 1-5-2, and finished the season strong at 6-3-1. The slow start was too big a hole to climb out of, and the Wildcats fell one point short of a tournament birth.

We would like to thank all the seniors and especially our coach Jeff Mela. We couldn't have done it without him. We greatly look forward to our success in next year's season.

Together

Team Effort Brought Success

Despite having lost our starting line-up from the previous season our young team was quite an impressive group. Combining power, speed, skills and the will to win propelled the team to the top of the DCL. We conquered such forces as Concord-Carlisle, Lincoln-Sudbury, Newton South and Wayland proving to ourselves that we had been underestimated. Uniting as a sweater, each team member representing a peice of yarn woven into the final fininshed product. We worked together as a team in every situation.

Ending the regular season with a record of 11-3-3, we earned a spot in the Division I State Tournament. In our first game, played under the lights, our opponent was Chelmsford. At the end of the 60 minute regulation the score was knotted at 1-1. In overtime, with two minutes gone by, Lisa Bagley slammed a reverse stick flick into the net. Captain Emily Mullin and Mara Johnson came up big along with Bagley. In our second game, we played first seeded, undefeated Danvers. We played our hearts out but unfortunately we came up a little short. On a brighter note, we scored the only goal against Danvers all season. This feat was accomplished on a great shot by Lisa Bagley.

All season we got outstanding efforts from Cap tain Emily Mullin, Mara Johnson, Whitney Gollinger, Selby Becker, and, of course, our dynamic duo in the net, Brandi DiCicco and Kristine Osmond.

As for next for next season, our future looks as bright as ever. With all but one returning starter, we will be a team of experience, unity and success!

We would especially like to thank our coach Mrs. Gorman. All the hard work paid off.

Hard Work Paid Dividends

Striving

It was a long fun season for Weston's Cross-Country team. Our talented team was coached by John Monz, the 1995 Mass. Boys coach of the year and Sinead Delahunte who had recently raced in the Olympics for Ireland.

The boy's team finished the regular season strong at 7 and 3. Led by DCL All Star Captains Andrei Muresianu and Justin Wilson, as well as a pack of strong seniors, Weston eagerly awaited the post-season. The post season was highlighted by second place finishes in the All League Meet, the Brown Invitational, the Mass Class Division IV race and the Mahon Cup. The team finished a solid seventh in the Mass. Div. II State Championship, although they wished to have finished higher.

Left- Try To Keep Up! Nai Wong sets the pace.

The girl's team coming off a tough year had entered the season not knowing what to expect. Led by Junior DCL All Star Captain Megan Miller, the Weston girls showed great heart and effort. With two regular season wins, and strong performances in the All League and Mass. Class Div. IV meets, the girls team improved greatly. Returning many starters, the girls are awaiting next season to shock some of the DCL elite.

Individually, Justin Wilson won the DCL meet, and came in fifth in the State Championships. Andrei Muresianu placed 11th in the DCL meet and Megan Miller placed 10th in the DCL meet as well. Most impressively, during the season, five of Weston's runners were ranked in the Middlesex top 25. Next year's outlook is excellent for many returnees.

Improving

Future of Girls' Hoops is Bright

Ending a long season with the record of 3 and 17, the girls' basketball team has something to be proud of. Beating Framingham (a team who qualified for the state tournament), by one point was a was a big success. Beating Dover Sherborn was definitely a tribute to all of our hard work; but defeating Wayland for the first time in years, without a doubt, was the biggest accomplishment of the hard fought season. Plus we were the first team ever to triple their winning streak.

The girls' team achieved many goals through faith,unity, love and a lot of hard work. The hunger to win was so strong that we did countless extra sprints in practice, trying to get one step up on our opponents. None of our wins were luck, they were the rewards of dedication. Through the painstaking process of making a name for ourselves in the DCL, we have become a team of friends that have learned how to depend on each other both on and off the court. Team lucheons, dinners, and sleep-overs, organized by our captain Emily Kattef, were just a few of the many steps we took in order to transform ourselves from twelve inexperienced individuals into one thriving team–a team that celebrated our victories and agonized over our defeats together.

Through determination and perseverance, we pulled off a terrific season. Because of our efforts, we stepped away from our season standing tall with our heads high.

The team would like to thank coach Jeff Mela for all his support and leadership. We anticipate next season.

First Undefeated Regular Season

LEGACY LEFT

Still too young to take the best league in the state. Still another year away we were told. The critics had low expectations for the boys' varsity team, but they were wrong, dead wrong. Boys B-Ball did something this year never before accomplished. They became North Sectional champs and lost the E-Mass championship in a heart-breaking 2 point game. The Wildcats took the great DCL title and left a mark at the school that will long be remembered. The squad posted an excellent record of 21-4, with two of the best wins against rival Wayland.

Captained by senior forward/center Mike (Cukes) Lonergan, the squad had high expectations of itself. Mike played hard and was the team leader both on and off the floor. Along with fellow seniors Nick Kerameris and Joe Wolenski, a solid bond formed within the team.

Leading the heralded junior class was forward Walden Barzey, who made a strong bid for the league's MVP. Fellow All-Star Evan Carlson was great behind the arc, giving much scoring depth. All Star Paul (Chief) Kurkjian, was a monster on the boards. Domingo Williams emerged as a top point guard and super soph Jared Chandler awed teams with his "hoops."

The bench was deep with 6'5 center Bill Martin blocking shots, along with fan fave Bobby Ghoreishi. Fine defensive work and 3 point shooting was displayed by guard John (Flight) O'Rourke. Jon Wohlers also played guard effectively.

With so many returnees, next year promises to be another great year in Wildcat basketball.

Domination

Hungry Cats Rule the Mat

Below. NICE MOVE! Junior Al Botchan gives his friend Mike Allain a lift.

The 1996-97 Weston Wrestling Team had another successful season under Coaches Baldanza, Thomas and Grant. Five sectional champions and three state champions helped lead the team through the regular and post seasons.

Senior Co-captain Kevin McShane (215) and junior co-captian Alex Botchan (140) highlighted a very inexperienced, but talented bunch of wrestlers. Jason Kahan (HVY) Jim Marett (189) and Ted Chan (145) all won their sections, with Botchan, McShane and Kahan winning states. All three, along with McShane and Botchan, continued on to All-States.

Completing the lineup were Doug Haber (103), John Ivey (112), Ryan McGowan (119), Andy Starr (125), Matt Fulchino (130), Andrew Horowitz (135), Brady Lauback (152), Rob Bateman (160), and Dave Happ (171). Haber, McGowan, Starr, Fulchino and Bateman also placed high in sectionals.

In the state tournament, Weston dominated again. Jason Kahan, Alex Botchan and Kevin McShane all were crowned state champions in their respective weight classes.

In the All-State Competition, Junior Alex Botchan finished in 1st, while Senior Kevin McShane came in 2nd.

Losing only one senior makes next year's team a guaranteed threat for the State Championship.

Team Brings Home Another Title

Below. AQUA CATS! Oops, the Red Tide, gets ready for a meet.

Middle Below. OH CAPTAINS, MY CAPTAINS! Senior captains, Abbey Haber and Ben Lee, led the Tide to another great year.

The '96-'97 Red Tide swimming and diving team completed another successful season. Captains Ben Lee and Abbey Haber led the squad to a victorious season, ending with an impressive record of 15 - 1. Surprising many rivals, the Tide dominated the DCL, both on the boy's and girl's sides, in this the twenty-fifth year of the program. The season's high- lights included triumphs over Wayland and L-S.

A large group of seniors led the boys' team to a solid second place finish at both the league and sectional championship meets. Captain Ben Lee, Tony Deary, JP Perry, Gerry Broderick, Andrew Nozik, and newcomers Ben Armour, Rodrigo Conceago and Garreth Biegan provided role models for the underclass standouts– juniors Dane Callow, Andrew Hastings, Tazo Inui, Dave Antman, Dusty Adelson, Dave Kahler and sophomores Nick Veeder, Chad Caldwell, Matt Rykels and Alex Harbur. The boy's team came from behind to claim their fourth state championship in five years.

The G.L.O.W.S. scored beyond all expectations with a strong second place at the league championship meet and a third place finish at the E-Mass sectionals. Led by the seniors, captain Abbey Haber, Laura Rabin, Caitlin Wysocki, Becca Schlowsky and Chloe Levy, the "quick chicks" continued to shatter many elusive pool records. A sprint team of Suzanne Schaubert, Laura Fox, Selby Becker and Jen Sluka lowered the 200 free relay record, while Jen Sluka and Laura Fox battled for the 100 breaststroke record. Schaubert, Fox, Amy Stutius and Sluka also destroyed the 400 free relay record. With the addition of the recovered star, Trish Zeytoonjian, and the arrival of the freshmen class, the G.L.O.W.S. are the team to beat.

Boys and Girls Ran Away With Titles

Excellence

The boys' and girls' indoor track teams proved their remarkable talent this season by their numerous championship performances. Because of their exceptional talent, along with extraordinary individual contributions, many records were broken and both teams achieved D.C.L. and State championship victories.

The boys' team–led by captains Victor Benson, Omar Coston, Justin Wilson, and Nai Wong–finished their season as state champions, thanks to many strong individual performances and team relays. Wilson brought in a first place in the mile and the mile relay secured their win with Jarrod Thornton as the anchor.

The relays were also a valuable key to success on the girls' team. Comprised of captains Lizzy Frisbie, Abby Kussel, Megan Miller, and Annica White, the girls' team displayed many talented performances in the 800, mile, and two mile relays which contributed to the earning of League Championship, State Championship, and State Relay Championship titles. Individual successes by White in the high jump and Kussell in the 600 also sparked many wins for the girls.

With few athletes graduating and with many new gifted underclassman, both teams seem promising for the upcoming year.

Special thanks to Coaches Delahunty, Kelly, and Maguire, whose dedication sand support made the season a fun, highly successful, and extremely memorable one. The outlook is excellent for many returnees.

Capturing Memories

The yearbook editors and staff work hard all year to preserve the special memories of Weston High School.

Students involved in producing Panorama '97 learn the many aspects of creating a published work. Members of the yearbook learn how to crop pictures, edit, and design layouts under the guidance of Iona Nickeson, the yearbook supervisor. Panorama '97 contains pictures of special moments throughout the school year, as well as many dedications to important members of the community. The editors and staff dedicate countless hours after school and during the day in an effort to send the yearbook to press.

Celebrating Rich Cultures

The BSU and ASU allow students of Weston High to come together and remain in touch with their cultures.

The Asian Student Union and the Black Student Union have held many successful events throughout the '96-'97 school year. The BSU had another successful dance and fruit sale, as well as a Kwanzaa celebration and fashion show under the strong leadership of David Fuller. The ASU has also been successful throughout the school year. The recently instituted 'Asia Night' has become one of the most popular social functions at Weston high. ASU members share their cultures through food, fashion, dance and much more.

Stealing the Show

The talented members of the Theatre Company provide Weston High with fabulous Thespian entertainment.

Weston High School's Theatre Company always entertains the community with various dramatical works. In the fall of '96 the Theatre Company performed 'Love's Labor's Lost', a comedy by William Shakespeare. The Thespians also performed 'All in the Timing', six short comedies by David Ives for a competition where various schools in the area compete for the best short performance. In the spring, the Theatre Company will perform 'Godspell', a musical based on the Gospel according to Matthew. Caberet '97 was also a huge success, where WHS students demonstrated their musical and dramatical talents in short skits and songs.

"It is not the critic who counts, not the man who points out how the strong man stumbled, or where the doer of deeds could have done them better.

The credit belongs to the man who is actually in the arena; whose face is marred by dust and sweat and blood; who strives valiantly; who errs and comes short again and again; who knows the great enthusiasm, the great devotions, and spends himself in a worthy cause; who, at best, knows in the end the triumph of high achievements; and who, at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory nor defeat."

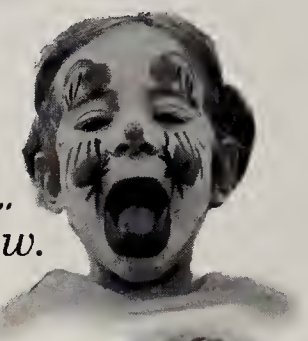
BECCA

The boundaries of our parenthood are changing.
The memory of the cry of our newborn daughter is still intact.

The magic dust of her childhood still lingers on her bed,
as the whispers of "Tina" gently lure her to peaceful dreams each night.

For a moment, we feel like stopping time.
Yet, each stage of her life has been truly joyous to us.

We applaud her sensitivity and wonder at her sense of herself.
Her confidence and values will take her far.
Her gift for poetry is from God.



The world is her stage.....
and we are in the front row.

Always know

that you have made us so very proud.

Never stop singing,

the joy that it brings you
will always comfort your heart!

LOVE ALWAYS,
MOM, DAD & TARYN

CONGRATULATIONS '97

WE'LL MISS YOU! IT'S BEEN FUN!

LOVE,
LIZ, EMILY, JESSIE
AND THE STAFF OF PANORAMA 1997

It seems like only yesterday when you said "come on out to play"
So many years went day by day, we scarcely know just what to say.

You've grown up strong, of mind and heart, and body too, could pull a cart
When you're at college far from our hearth, we'll miss you from the very start.

You like the outdoor life, we know, from climbing rock to skiing snow.
Your mountain bike was all the go, what now, Hummer or GTO ?

In sport you liked to change your hat, At men's lacross you've had a spat,
The soccer pitch, the wrestling mat, so far you have no baseball bat.

The countries that we've gone to see, in Africa and Eur-o-pe
You've friends in all who've come to be, a global kind of family.

Work may be hard and days seem long, 'til college gradua-ti-on
But it will stand to you, our son, to get just what you want all done.

You've set yourself some worthy goals, might test the spirit and the soul
Remember your creative tools, your art and poems repair the toll.

You've so impressed us all the while, your winning, though reluctant smile
Will shine right through and show you've style When challenges begin to pile.

You show concern for all the world, but it will spin, might even whirl
So have a fling, collect your pearls, take care to dodge the mass of churl.

The world is shrinking as you know, some things fast and some things slow,
But come back home before you go, Here and there with your own show.

This is part one, the future waits, make your moves, though not in haste
When you sit here, ponder your fate, We know that it will be just Great !

Hi Rod,
Congratulations on completing your last year of High School! Have a great time at college.

Love,
Alex XXX

DAVE

These 18 years have fast flown,
We just can't believe it Dave,
Into a handsome young man you've grown,
It seems just like yesterday you were a mere babe.

Your first laugh, cry and other firsts,
On film and tape we did take,
Over the years there will be a lot more firsts,
For us it will be a memorable keepsake.

A little boy in Christmas plays,
As a shepherd you did first start,
And as you grew up there came the day,
You were honored with Joseph's part.

Nursery, Brown, Kennedy and Weston High,
What lies in the years ahead,
18 years have fast gone by,
It seems like eight instead.

In rain, wind, snow and sun,
To many a soccer game we went,
Watching your games both lost and won,
We loved those hours we spent.

All that you do you do so well,
Be it School President, Soccer Captain or just having fun,
Our hearts with joy and pride do swell,
We love you very much - dear son.

Our prayer for you will always be,
That the Lord be your guide,
May all your actions reflect His ways,
For you are God's loving child.

Congratulations and love
Dad and Mom

Dave,

It's hard to believe that once upon a time I was actually bigger than you. Those were the days, huh? I remember cheering at your soccer games, from your pee-wee days in Natick, to Varsity at Weston High. You always made me proud to say that #11 was my brother. You've come a long way, tough guy. I'm so proud of you, Dave. Just remember, you might have grown up but you'll still always be my "little" brother. I love you, Nim.

The 1996-1997 school year has been an extremely exciting one. We have made history with nearly all of our sports teams, grown academically and put up with the loud noises of the construction workers who are busy remodeling our school. In just a couple of years, Weston High will be a completely changed school with updated technology, a new cafeteria and a fantastic auditorium. It will be something for the graduating seniors of '97 to come back to and admire. However, it is sad to see our beloved school disappear after all we have experienced in it. The end of our journey is near, but Weston High School will be with us forever.

Graduation '97

"One poem shines as my favorite. Its title, 'Moon Catchin' Net.' I have always admired the kid in this poem. He has endeavored to construct something impossible—a moon catching net. He probably understands this is an unrealistic task. . . but he pursues it anyway. The boy proves that it is possible to attain a goal that seems insurmountable. He attempted something impossible, and succeeded."

The kind of light that radiates outward from beneath the layers of our skin, to the far edges of our sight."
